

Supplier Privacy Policy

This privacy policy was last updated on Dec 12, 2018.

At HMS Industrial Networks we place great importance on the protection of personal data and want to be transparent regarding how personal data is collected, processed and shared by us.

Personally Identifiable Information refers to any data that can be related to individuals and processing refers to all our handling, including the use of it, storage and possible 3rd party transfer.

This privacy policy covers our relationship with suppliers and potential suppliers and primarily with information about individuals representing the supplier.

The policy may be updated from time to time and you will always find the latest version on our web site.

1 Information we collect and process

For our suppliers, we process the following personal information:

- Name and job title
- Business contact information (Company e-mail, address, phone numbers etc.)
- If you communicate with us electronically, we may store your IP address.

The information is collected when you mail us or otherwise provide us with your contact information. The contact information is used in our business relationship and for no other purposes unless needed to fulfill any legal requirements.

Your personal data will be kept as long as your company supply goods and/or services to us, are a candidate to do so, or as required by legal obligations.

2 External data processors

We use external data processors to provide us with different services, including:

- IT service providers (Hosting, back-up, cloud solutions etc.)

These service providers are only allowed to process information on behalf of HMS and as specifically instructed by us.

3 Protection of your data

For us it is important that your data is safe. We use up-to-date data protection mechanisms and has a good security posture.

HMS Industrial Network entities ensure due care and take appropriate organizational and technical measures to protect the confidentiality and integrity of the personal data and communication data provided, collected and/or stored on our systems and shall not retain it any longer than permitted in order to perform its services or as required under relevant legislation.

Your personal data can only be accessed by authorized employees of HMS Industrial Network that need to have access to this data in order to be able to fulfil their given duties.

4 Data storage and location

Your information may be stored and processed in any country in which HMS Industrial Networks maintain facilities, including outside of the European Economic Area (EU, Norway, Liechtenstein and Iceland).

We only make such transfer if the recipient of the data is located in a country which provides an adequate level of protection following a European Commission adequacy decision or if appropriate safeguards as within the EU have been provided HMS Industrial Network by executing standard contractual clauses.

5 Your data – your rights

You have the right to know what personal information we process about you and the right to have your information corrected or deleted unless we have a legal duty to keep it.

When we base our processing on your consent, you have the right to withdraw your consent for processing at any time and we will delete the personal data.

If you want to exercise one of your rights, please contact us using the contact information below.

6 Data controller and contact information

HMS is responsible for your personal data, do not hesitate to contact us in case you have questions. HMS refers to HMS Industrial Networks AB and its subsidiary companies. For the purposes of applicable data protection law, the controller of your data will be the HMS affiliate which is communicating to you.

For data protection questions in general, or questions regarding our global processing:

HMS Industrial Networks AB
Att: Data protection responsible

PO Box 4126
SE-300 04 Halmstad
Sweden

dataprotection@hms-networks.com

7 If you have complaints

In case you do not think we have fulfilled our obligations you have the right to lodge a complaint with a supervisory authority.

For HMS Industrial Networks AB, the supervisory authority is:

Datainspektionen
Box 8114
104 20 Stockholm
Sweden
