

## Products Requiring RoHS exemptions

Most of HMS's products requires an EU RoHS exemption. When an HMS product requires an EU RoHS exemption, one of the following may apply:

7(a): Lead in high melting temperature type solders (i.e. lead-based alloys containing 85 % by weight or more lead)

7(c)-I: Electrical and electronic components containing lead in a glass or ceramic other than dielectric ceramic in capacitors, e.g. piezo electronic devices, or in a glass or ceramic matrix compound
